IN THE MATTER OF )  
 )  
GARY DEVELOPMENT COMPANY, INC., ) DOCKET NO. RCRA-V-W-86-R-45  
 )  
Respondent. )

MOTION TO RESCHEDULE TRIAL

Comes now the Respondent, Gary Development Company, Inc., by counsel, and for its Motion to Reschedule Trial, states:

1. On April 29, 1987, counsel for Gary received the Administrative Law Judge's Notice of Trial dated April 24, 1987, setting this matter for trial on July 15 and 16, 1987.

2. Counsel for Gary is already committed during the entire week of July 13 to participate in the Advanced Labor and Employment Law Summer Course co-sponsored by the American Bar Association Section of Labor & Employment Law and Pepperdine University School of Law. This course is offered only once annually, and counsel has attended the course the past three years.

3. Counsel for Gary presently can be available for trial on any of the following dates: July 27, 28, 29, 30, and 31; August 3, 4, 5, 6, 7, 17, 18, 19, 20, and 21.

4. Gary has not previously requested a rescheduling of any noticed trial dates in this cause.

WHEREFORE, Respondent Gary Development Company, Inc., by counsel, moves for a rescheduling of the trial from the dates of

July 15 and 16, 1987.

---

MOTION TO RESCHEDULE TRIAL

Counsel for Complainant respectfully moves the Presiding Officer to reschedule the trial in the above matter. Jonathan Cooper, Environmental Scientist for U.S. EPA and key witness to both parties, will be unavailable from August 10 to August 24, 1987. Counsel for Complainant suggests that the Presiding Officer move the trial date from August 17 to 21, 1987, to one of the other dates specified by counsel for Respondent in Respondent's Motion to Reschedule Trial or arrange a conference call to establish another trial date.

Respectfully submitted,

A handwritten signature in cursive script that reads "Marc M. Radell".

Enclosure

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY NOV 8 1988

Washington, D.C.

IN THE MATTER OF )  
 )  
GARY DEVELOPMENT COMPANY, INC., ) DOCKET NO. RCRA-V-W-86-R-45  
 )  
Respondent. )

MOTION FOR CONTINUANCE OF TRIAL DATES

Comes now the Respondent, Gary Development Company, Inc. ("Gary"), by counsel, and hereby moves for a continuance of the trial dates of November 29 and 30, 1988, for the following reasons:

1. On November 2, 1988, counsel for Gary received a Notice of Continuation of Trial establishing the dates of November 29 and 30, 1988. Evidence was last heard in this docket on September 9, 10 and 11, 1987.

2. At the conclusion of the third day of testimony in 1987, EPA Regional Counsel was granted until October 7 to file a brief opposing Gary's Motion to Dismiss made on September 9, 1987, which motion included contesting jurisdiction as first raised in the Respondent's written Answer filed July 1, 1986 (Tr. 17-35). The Judge also granted Gary the right to submit a reply brief. Region V's brief entitled Response to Motion to Dismiss was filed on or about October 7, 1987, and Gary's Reply Brief was filed on October 13, 1987. (This was the day after the Columbus Day holiday.) Counsel believes that the matters of jurisdiction and

res judicata raised in said pending motion and briefs should be determined before the parties spend additional substantial time and expense preparing for and presenting further evidence.

3. Counsel for Gary does not have sufficient time to prepare for the continuation of this trial on November 29 and 30 and likely cannot be present on that date because:

- a) On November 29, counsel must file with the Supreme Court of the United States a petition for certiorari requesting review of a decision by the United States Circuit Court of Appeals for the District of Columbia in Northside Sanitary Landfill, Inc. v. Lee M. Thomas and U.S. EPA, Cause No. 84-1586, wherein the Circuit Court affirmed placement of Northside on Update I to the National Priorities List under the Comprehensive Environmental Response, Compensation and Liability Act. Region V has already issued on this site its Record of Decision and Scope of the Work Plan and has scheduled construction of a remedial action to begin under the NPL during 1990.

The preparation of this petition and supporting brief will take extensive time including the review of a printed text preferred by the Court. Because the petition is due on the Tuesday after the Thanksgiving holiday weekend and due to the time required by the printer, it is likely the briefs will need to be delivered by counsel on November 29, 1988, to the Supreme Court.

- b) Gary's counsel is Chairman of the Legal Committee and a member of the Executive Committee and Negotiating Committee for a group of potentially responsible parties regarding the Missouri Electric Works site at Cape Girardeau, Missouri. U.S. EPA Region VII has nominated this site for inclusion on Update VII to the National Priorities List. A negotiating meeting was scheduled with Region VII legal, technical and administrative staff on November 1 for the purpose of finalizing a CERCLA Section 104 Administrative Order on Consent to commence a remedial investigation and feasibility study by the PRPs. At Region VII's request, this meeting was rescheduled for November 9, and an Executive Committee meeting has been scheduled for November 10 and 11. Gary's counsel is the chief negotiator for these PRPs and must prepare for and be present at these meetings in Missouri between November 9 and 11.

- c) Gary's counsel is one of two instructors to present an employee and labor relations seminar sponsored by the National Rural Electric Cooperative Association. This seminar has been scheduled for approximately six months to be held at Minneapolis, Minnesota, on November 14 and 15. Counsel has prepared the written materials for this seminar and presented it previously this fall in Denver, Colorado and Nashville, Tennessee. It is not feasible for counsel to now attempt to obtain a substitute to present five hours of oral instruction.
- d) The prior testimony in this cause occurred approximately 14 months ago and consists of nearly 800 pages. Additionally, voluminous exhibits were introduced by the Government. In order to prepare for the continuation of its case-in-chief, Gary's counsel will need to review the testimony, review the voluminous exhibits, review its proposed exhibits, and meet with its witnesses. Its next witness, Dr. T. R. West, a geosciences professor from Purdue University, is presently unavailable, due to being in the state of Colorado this week.

WHEREFORE, because Gary's Motion to Dismiss and the issues briefed by the parties have not yet been determined regarding jurisdiction and res judicata and because of the present commitments of Gary's counsel, Respondent Gary Development Company, Inc., by counsel, moves for a continuance of the trial dates of November 29 and 30, and respectfully requests that this matter be rescheduled during the first quarter of 1989, except for between the dates of February 10 and 17.
